Bi-Weeklies - Standard Discussion Topics

- 1. What are your Division's top priorities for the next 2-4 weeks and what are their current status/milestones?
- 2. Are there any projects/sites/issues that have new risks or challenges?
- 3. Is there anywhere we are falling behind regionally or nationally (e.g. timelines, milestones, programmatic targets, or national competitions)?
- 4. What issues/andons are you seeing from your Division's ELMS visual management tools and what is your strategy for addressing them?
